FLOOD CONTROL DISTRICT (TULARE COUNTY)

Four-Year Terms - 7 Members

Resolution No. F-72-01

Membership shall consist of the following:

- Each Supervisor shall submit a list of two candidates who are freeholders and residents of the unincorporated area of his/her district and the Board of Supervisors shall select from the list four members to be appointed to the Commission.
- The cities of the City-County Association shall recommend to the Board of Supervisors three candidates who are freeholders and reside in three separate cities of municipal territory of the County, and the candidates if approved by the Board of Supervisors will be appointed the Commission.

Duties:

- Make recommendations as to expenditures of funds derived from ad valorem taxes for flood control and drainage purposes.
- Recommend priorities for action recognizable or defined flood control projects.
- Recommend zone of benefit boundaries with technical assistance from district staff.
- Hold necessary hearings to develop and recommend the establishment of zones of benefit to the Board of Supervisors.
- Make recommendations with respect to proposed state or federal legislation affecting flood control activities.
- Perform necessary liaison to be able to make recommendations regarding projects that involve other agencies.
- Make recommendations as to means of financing projects including proposed assessments or tax rates if financed locally.
- Hold such hearings as directed by the Board involving flood control or drainage matters and make recommendations for Board action.
- Interview and recommend to the Board of Supervisors consulting firms to perform studies and prepare plans and specifications for flood control projects when necessary.
- Act on any other specific matter regarding studies, hearings, legislation, tax rates, etc. as directed by the Board.
